

Welcome to the WinStar Golf Academy Junior Development Program. We are pleased to offer the best opportunity for juniors in our region to develop their golf skills and enthusiasm for the game. The professional instruction at WinStar is specifically designed to provide a fun, safe environment that promotes learning and success for junior golfers of all ages and skill levels. Utilizing their combined 20 years of experience teaching golf and working with peers throughout the golf industry, our talented golf instructors have developed an instructional program that provides a great framework for junior golfers to succeed. Our proven track record of individual lessons over the past seven years at WinStar has produced several junior golf and high school champions as well as helped numerous students receive golf scholarships at local colleges and universities.

It is now our goal to create a superior learning environment by providing quality, individual instruction to multiple students in a group setting so they can achieve their highest potential.

Give your kids an opportunity to receive first-class golf instruction at one of the finest and most technologically advanced teaching facilities in the United States.
